# Meet Your Hosts

## Meet Your Hosts

The Goan House SiShore was created with one simple idea:  
**To offer guests the warmth of a home together with the comfort of quality hospitality.**

Our journey combines two very different worlds.

One of us proudly served the nation as an **Indian Army Colonel**, travelling extensively across India and experiencing hospitality in every corner of the country.

The other spent many years as a **Mathematics Teacher** in India and the United States, helping students learn, grow, and feel valued.

Our shared love for travel inspired us to create a peaceful retreat where guests feel welcomed, respected, and cared for.

Today, we continue to personally host guests from around the world, ensuring every stay is comfortable, relaxing, and memorable.

*"You're not just checking into a room—you are becoming part of our extended family."*
